Assured Profit from Quality Lawn Seed

Lawn Seed is one of your most profitable lines—there is always an assured profit. Are your stocks complete so that you can take advantage of the Spring demand?

Lawn Seed is bought on faith. There are few buyers who, from superficial examination, can tell whether the seed is good or bad.

DICKINSON'S Quality Lawn Grass Mixtures justify your faith and mean satisfaction to your customers in results. They are composed of the finest Domestic and Imported turf grasses correctly blended to ensure the best permanent green lawn, and are carefully recleaned to reduce the weed and chaff contents to a minimum.

THE ALBERT DICKINSON CO.

GLOBE FEEDS

For

Poultry, Cows, Hogs, Horses, Dogs, Pigeons, Rabbits, Foxes

For more than thirty years The Albert Dickinson Company has been known as leaders in the field of feed manufacturers. Constantly searching for something better; everlastingly experimenting to produce feeds of greater value at the lowest possible cost to the user, has kept us out in front year after year.

The best recommendation we can offer for Globe Feeds is the fact that dealers stay with us. We have

dealers who have been handling Dickinson's Feeds for over thirty years. Some of the very first merchants who ever purchased feeds from us, are still regular customers.

If you want to build a feed business that will last; one that is on a solid foundation of quality and results at fair prices, ask us about our Globe plan of feed merchandising.
